Delfin^{green}

Born from a desire to do our part in the global movement towards a more eco-friendly planet.

Delfingreen represents an entirely new and evolving product line geared at giving our customers in both the food retail and foodservice industries an environmentally sensitive option.

It is a concept, a philosophy, a framework with strict eco-friendly parameters for us to design and manufacture within. These guidelines will dictate an entirely new line of products using raw materials that are both sustainable and recyclable while remaining safe, durable, and aesthetically beautiful.

The enclosed product release continues our on going commitment environmentally friendly products for our industry. As Delfingreen grows, so will your opportunities to choose from an ever expanding line of forthcoming products that perform well for you... and our planet.
