delfingreen

Born from a desire to do our part in the global movement towards a more eco-friendly planet.

Delfingreen represents an entirely new and evolving product line geared at giving our customers in both the food retail and foodservice industries an environmentally sensitive option.

It is a concept, a philosophy, a framework with strict eco-friendly parameters for us to design and manufacture within. These guidelines will dictate an entirely new line of products using raw materials that are both sustainable and recyclable while remaining safe, durable, and aesthetically beautiful.

HOW IT WORKS:

- 1 Choose a starting point on the back row of your case and assemble a single pod according to the desired height of that point. Simply combine a base and extensions to get the height you want. We suggest you go with the highest landscaping point first.

- 2 Continue assembling pods and configure the back row by "linking" them together making sure two of the pod points are as close to the back of the case as possible. Linking works the same on straight or curved glass merchandising cases.

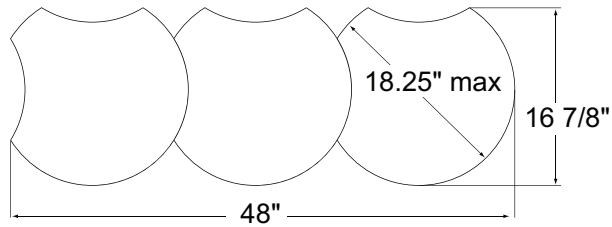

pod points

- 3 Slide the next row beneath the back row creating as many cascading elevation changes as you desire. Let your creative vision come to life.

FOR USE WITH CURVED OR STRAIGHT GLASS MERCHANDISERS

Simply put, case-link™ by Delfin is the most versatile case foundation system ever created.

It flows and flexes, swerves and curves, cascades and contours to virtually every curved or straight glass merchandising case made.

No matter the height, depth, or radius of your merchandising case, the unique pod & stem system easily adjusts to your schematics while promoting your merchandising vision. By linking the system throughout your entire case or utilizing it only on those difficult to landscape curved sections, you can now create a multi-layered merchandising foundation to meet your specific needs.

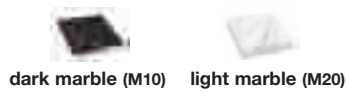

However you choose to use **case-link™**, we are certain our patent pending design will form the foundation you need to effectively merchandise your curved glass case.

Material Properties

Plastics

Material	Catalog Icon	Durability	Surface Hardness	Aesthetic Appearance	Maximum Temperature	Price Point	Description
Acrylic		Highly Break Resistant	Very High	Excellent	185°F/85°C	Medium	A very hard material that is favored when looks count. This clean and cost effective option makes it popular for a variety of uses.
Cross-Link Acrylic		Highly Break Resistant	Very High	Excellent	185F / 85C	Medium	Similar to standard acrylic only stronger. A proprietary Delfin item designed to be extra tough with a superior aesthetic appeal.
ABS		Unbreakable	Medium - High	Very Good	198°F/ 92°C	Medium	Tough, durable, and perfect when used for hard-wearing foundation purposes. Strength is it's most valuable attribute.
Proprietary ABS / Acrylic Cap Hybrid		Unbreakable	High	Excellent	190°F/88°C	Medium - High	Our proprietary material has the durability of ABS but the beautiful appearance of acrylic. It's truly the best of both worlds.
Poly carbonate		Unbreakable	Very High	Excellent	270°F/132°C	Medium - High	Unbreakable and looks great. A slightly softer material that is perfect for spoons and tongs.
PETG		Unbreakable	Medium	Good	160°F/71°C	Medium - High	Specifically used when you need an unbreakable clear material in a more industrial application.
Composite Melamine		Break Resistant	Very High	Excellent	248°F / 120°C	Low	Beautiful finish and easy on the budget. Our Composite Melamine is a pure blend of components making it the industries truest and strongest melamine.

Metals

Material	Catalog Icon	Description
Steel		Delfin steel products are manufactured without compromise. Using a superior grade of steel, durable under and final coatings, premier engineering and craftsmanship, our Santa Fe and Element lines are unsurpassed in quality and style.
Stainless Steel		Selectively used, our sleek stainless steel products complement many of our contemporary items. Combining the beauty of stainless with creative design work, these products are both functional and stylish.

Material	Catalog Icon	Description
Bamboo		Giant Bamboo is one of the world's most renewable resources which is why it's the perfect material for our delfingreen bamboo product offering. Grown in the wild with no fertilizers, pesticides or insecticides, our bamboo is 16% harder than oak or maple. All delfingreen bamboo items are protected with an FDA approved clear lacquer for extra protection.

General Product Specification and Care Instructions

Delfin Design & Manufacturing produces all of its products with only the highest grade raw materials and greatest of care. If properly cared for and used in the correct environment, our product will provide a lengthy life of service and maintain its aesthetic appeal.

CLEANING PLASTIC PRODUCTS

- We always recommend Delfin product be hand washed with a mild soap and warm water using a soft sponge.
- DO NOT use abrasive cleaning detergents or abrasive scrub pads.
- We do not recommend using industrial dishwashers, however it may be safe depending on the type of detergent and temperature of water used.
- We do not encourage the use of sanitizer.

CLEANING METAL PRODUCTS

- All Delfin metal products are protected with a highly durable shielding coating.
- We recommend you gently wash all metal products with a mild soap and damp cloth or sponge.
- We do not recommend you get any metal product overly wet. However, if you need to submerge any metal product in water, immediately and thoroughly dry the product.

CUTTING

- Do not use your Delfin product as a cutting surface. Knives and other sharp objects can damage the surface of the product.

UTENSILS

- We always recommend you use Delfin plastic spoons or tongs or similar plastic utensils with our product to avoid unnecessary scratching.
- Stainless Steel utensils may be safe if used with great care but we strongly suggest plastic.

DELFIN DESIGN & MANUFACTURING, INC.TM

TERMS AND CONDITIONS FOR NORTH AMERICA

FREIGHT & SHIPPING

- We use all methods of transportation and have daily pick-up service. We ship at our own discretion unless specific instructions are given at the time the order is placed.
- Freight charges will be prepaid and added to the invoice on all orders shipped to a destination within the United States or Canada.
- All freight charges will be collect for a consignment shipped to a destination outside of the United States or Canada.
- Any duties, tariffs, taxes, or supplementary charges that are in addition to the freight charges are the responsibility of the customer. These charges, usually associated with shipments that cross an international border, will be billed by the applicable brokerage house or agency directly to the consignee or preferred "bill to".
- For those customers located in the US and Canada, we do maintain a specific and non-negotiable freight assistance program. Please contact us direct for the details.

DAMAGES & SHORTAGES

- Inspect your shipments carefully when they arrive for any damages or shortages.
- Be sure to match the received merchandise against the packing slip. Any shortages or damages must be reported to Delfin within 48 hours of arrival.
- All merchandise is inspected at the time of shipping and shipped in good condition. In the event that there is damage, note this immediately on the freight bill and arrange for an inspection report from the carrier. Send a copy of the freight bill and inspection to us immediately. If you fail to do this, neither Delfin nor the carrier will honor your claim.

TERMS

- Net 30 days on approved credit. All shipments are made with the understanding that invoices will be paid within 30 days. Accounts over 30 days will be subject to an interest charge of 1.5% per month (18% per year).

RETURNS

- Authorization must be obtained from Delfin prior any return. No return will be accepted without proper written authorization from Delfin. Please contact us direct for specifics regarding our "Return Authorization" policy.
- Authorized returns must be shipped prepaid by the buyer. Delfin is not responsible for any freight charges on returned items.
- All returned items must be unused and in their original packaging and may be subject to a restocking fee.
- Authorized credits will be issued upon inspection of returned items.
- Custom items may not be returned for cash or credit under any circumstances.

CUSTOM ITEMS

- Delfin Design and Manufacturing welcomes custom work. We are always anxious to take on new projects. Please call us with any ideas or questions regarding custom products.
- All custom products require a minimum deposit subject to the discretion of Delfin and prior to the beginning of the manufacturing process.
- Custom items may be subject to a mold agreement contract and or up front mold costs.
- The buyer is responsible for accepting and paying for all custom items within a 5% variance of the quantity on the original order.

CAPACITIES & SIZES

- Liquid capacities listed are brimful measurements. Because of our manufacturing process, all sizes and capacities are subject to a slight variance.

PRICES

- Prices subject to change without prior notice. Prices do not include any city, county, state or federal taxes. Prices do not include shipping charges. All prices are in United States dollars.

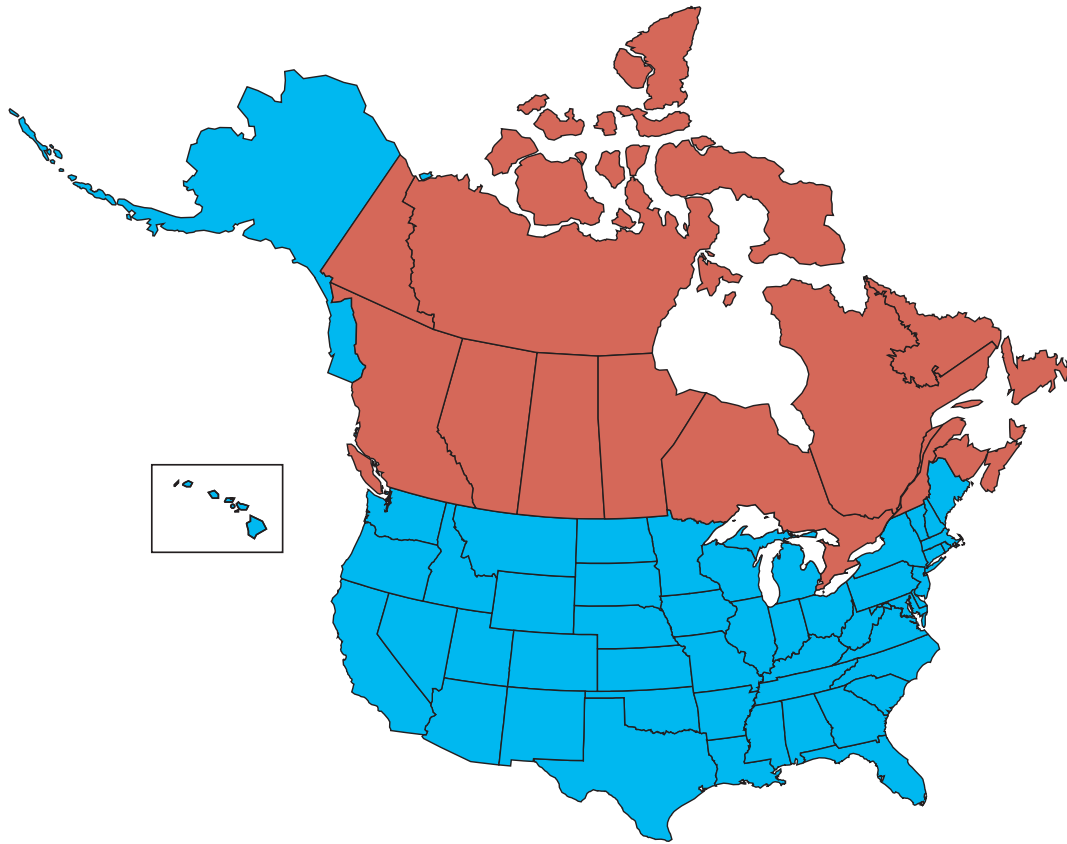

CASE PACKS AND WEIGHTS

- We have no minimum orders or broken case charges.
- Case weights and cubes are estimates and subject to change.

SUGGESTIONS

- We are always interested in hearing your suggestions. Please call us any time at (800) 354-7919.

Thank you for your continued support of our company and product line...
